Recurring work handbook

A practical kit for recurring task cards, run schedule, exception register.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Recurring work handbook is a focused, self-guided planning kit for team leads and small business operators. It organizes recurring task cards, run schedule, exception register into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Team leads and small business operators

What you will make

Create a working set of recurring task cards, run schedule and exception register, tailored to your own project.

Inside the planned edition

01 Recurring task cards: a purpose-built worksheet with field explanations and prompts.

02 Run schedule: a purpose-built worksheet with field explanations and prompts.

03 Exception register: a purpose-built worksheet with field explanations and prompts.

04 A start-here guide explaining the sequence, preparation and completion criteria.

05 A completed fictional example showing how the recurring task cards connect to the run schedule.

06 A final review checklist, reusable blank copies and a short troubleshooting section.

How to use it

Read the start-here guide, gather your project notes, complete the recurring task cards, then work through the run schedule and exception register. Compare with the fictional example and finish with the review checklist. Reuse the blank worksheets for the next project.

Planned formats and language

Planned: accessible PDF guide, editable DOCX worksheets and a printable A4/US Letter workbook. English-led instructions. Persian text is included where specified; the interface language does not change the purchased edition.

License

One organization, up to 10 internal users. You may share completed outputs with your own clients or participants. Do not resell, sublicense or distribute the blank source files.

Not included

No live service, consulting, external subscriptions, physical materials or completed work on your behalf. Specialist legal, medical and financial advice is not included.

Delivery, receipts and support

When the final edition is released: verified payment unlocks the purchased files in My purchases and creates an itemised billing document. Access uses private, expiring download links. Five downloads per file; contact support for access problems. Server access records support delivery enquiries.

Customer reviews
