Staff coverage planner

A practical kit for coverage matrix, backup contacts, shift handover.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Staff coverage planner is a focused, self-guided planning kit for team leads and small business operators. It organizes coverage matrix, backup contacts, shift handover into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Team leads and small business operators
