New manager notebook

A practical kit for listening prompts, one-to-one agendas, first-month observations.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

New manager notebook is a focused, self-guided planning kit for team leads and small business operators. It organizes listening prompts, one-to-one agendas, first-month observations into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Team leads and small business operators

What you will make

Create a working set of listening prompts, one-to-one agendas and first-month observations, tailored to your own project.
