Product bundle planner

A practical kit for compatibility matrix, bundle contents, price-position worksheet.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Product bundle planner is a focused, self-guided planning kit for small online retailers and marketplace sellers. It organizes compatibility matrix, bundle contents, price-position worksheet into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Small online retailers and marketplace sellers

How to use it

Read the start-here guide, gather your project notes, complete the compatibility matrix, then work through the bundle contents and price-position worksheet. Compare with the fictional example and finish with the review checklist. Reuse the blank worksheets for the next project.

Planned formats and language

Planned: accessible PDF guide, editable DOCX worksheets and a printable A4/US Letter workbook. English-led instructions. Persian text is included where specified; the interface language does not change the purchased edition.

License

One organization, up to 10 internal users. You may share completed outputs with your own clients or participants. Do not resell, sublicense or distribute the blank source files.

Not included

No live service, consulting, external subscriptions, physical materials or completed work on your behalf. Specialist legal, medical and financial advice is not included.

Delivery, receipts and support

When the final edition is released: verified payment unlocks the purchased files in My purchases and creates an itemised billing document. Access uses private, expiring download links. Five downloads per file; contact support for access problems. Server access records support delivery enquiries.

Customer reviews

No customer testimonials yet. Reviews will come from verified purchasers who consent to publication. No illustrative quote is presented as a customer experience.
