Creator retro workbook

A practical kit for release review, effort comparison, process changes.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Creator retro workbook is a focused, self-guided planning kit for writers, podcasters and independent creators. It organizes release review, effort comparison, process changes into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Writers, podcasters and independent creators

What you will make

Create a working set of release review, effort comparison and process changes, tailored to your own project.
