Dependency mapping workbook

A practical kit for task dependencies, external blockers, escalation notes.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Dependency mapping workbook is a focused, self-guided planning kit for coordinators, agencies and project leads. It organizes task dependencies, external blockers, escalation notes into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Coordinators, agencies and project leads

What you will make

Create a working set of task dependencies, external blockers and escalation notes, tailored to your own project.

Inside the planned edition

01 Task dependencies: a purpose-built worksheet with field explanations and prompts.

02 External blockers: a purpose-built worksheet with field explanations and prompts.

03 Escalation notes: a purpose-built worksheet with field explanations and prompts.

04 A start-here guide explaining the sequence, preparation and completion criteria.

05 A completed fictional example showing how the task dependencies connect to the external blockers.

06 A final review checklist, reusable blank copies and a short troubleshooting section.

How to use it

Read the start-here guide, gather your project notes, complete the task dependencies, then work through the external blockers and escalation notes. Compare with the fictional example and finish with the review checklist. Reuse the blank worksheets for the next project.

Planned formats and language

Planned: accessible PDF guide, editable DOCX worksheets and a printable A4/US Letter workbook. English-led instructions. Persian text is included where specified; the interface language does not change the purchased edition.

License

One organization, up to 10 internal users. You may share completed outputs with your own clients or participants. Do not resell, sublicense or distribute the blank source files.

Not included

No live service, consulting, external subscriptions, physical materials or completed work on your behalf. Specialist legal, medical and financial advice is not included.

Delivery, receipts and support

When the final edition is released: verified payment unlocks the purchased files in My purchases and creates an itemised billing document. Access uses private, expiring download links. Five downloads per file; contact support for access problems. Server access records support delivery enquiries.
