Blocker clearing notebook

A practical kit for blocker context, owner contacts, resolution attempts.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Blocker clearing notebook is a focused, self-guided planning kit for coordinators, agencies and project leads. It organizes blocker context, owner contacts, resolution attempts into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Coordinators, agencies and project leads

What you will make

Create a working set of blocker context, owner contacts and resolution attempts, tailored to your own project.
