Moving home command center

A practical kit for move timeline, box index, address update list.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Moving home command center is a focused, self-guided planning kit for adults organizing household routines and shared spaces. It organizes move timeline, box index, address update list into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for
