Food shopping comparison

A practical kit for unit-price worksheet, pantry needs, shopping route.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Food shopping comparison is a focused, self-guided planning kit for home cooks planning meals and preserving kitchen memories. It organizes unit-price worksheet, pantry needs, shopping route into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.
