Train journey planner

A practical kit for route segments, transfer notes, luggage checklist.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Train journey planner is a focused, self-guided planning kit for travelers organizing their own trips. It organizes route segments, transfer notes, luggage checklist into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Travelers organizing their own trips
