Book club launch kit

A practical kit for reading selection, discussion norms, first-session agenda.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Book club launch kit is a focused, self-guided planning kit for hosts planning small personal or community events. It organizes reading selection, discussion norms, first-session agenda into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Hosts planning small personal or community events
