Neighborhood welcome event

A practical kit for welcome stations, local resource list, introduction prompts.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Neighborhood welcome event is a focused, self-guided planning kit for hosts planning small personal or community events. It organizes welcome stations, local resource list, introduction prompts into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Hosts planning small personal or community events

What you will make

Create a working set of welcome stations, local resource list and introduction prompts, tailored to your own project.

Inside the planned edition

01 Welcome stations: a purpose-built worksheet with field explanations and prompts.

02 Local resource list: a purpose-built worksheet with field explanations and prompts.

03 Introduction prompts: a purpose-built worksheet with field explanations and prompts.

04 A start-here guide explaining the sequence, preparation and completion criteria.

05 A completed fictional example showing how the welcome stations connect to the local resource list.

06 A final review checklist, reusable blank copies and a short troubleshooting section.

How to use it

Read the start-here guide, gather your project notes, complete the welcome stations, then work through the local resource list and introduction prompts. Compare with the fictional example and finish with the review checklist. Reuse the blank worksheets for the next project.

Planned formats and language

Planned: accessible PDF guide, editable DOCX worksheets and a printable A4/US Letter workbook. English-led instructions. Persian text is included where specified; the interface language does not change the purchased edition.

License

One household, for personal use. Print copies for your household and share completed personal projects privately. Do not resell or redistribute the blank source files.

Not included

No live service, consulting, external subscriptions, physical materials or completed work on your behalf. Specialist legal, medical and financial advice is not included.

Delivery, receipts and support

When the final edition is released: verified payment unlocks the purchased files in My purchases and creates an itemised billing document. Access uses private, expiring download links. Five downloads per file; contact support for access problems. Server access records support delivery enquiries.
