Family audio interview planner

A practical kit for recording checklist, question sequence, file naming.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Family audio interview planner is a focused, self-guided planning kit for families and individuals preserving stories. It organizes recording checklist, question sequence, file naming into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for
