Letter to the future kit

A practical kit for writing prompts, recipient notes, storage plan.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Letter to the future kit is a focused, self-guided planning kit for families and individuals preserving stories. It organizes writing prompts, recipient notes, storage plan into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Families and individuals preserving stories

What you will make

Create a working set of writing prompts, recipient notes and storage plan, tailored to your own project.
