Persian language family labels

A practical kit for room vocabulary, pronunciation notes, label planning.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Persian language family labels is a focused, self-guided planning kit for english-speaking families exploring persian cultural traditions. It organizes room vocabulary, pronunciation notes, label planning into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.
