Memory shadowbox planner

A practical kit for object selection, layout sketch, caption drafting.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Memory shadowbox planner is a focused, self-guided planning kit for adults planning approachable creative sessions. It organizes object selection, layout sketch, caption drafting into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.
