Portrait session planner

A practical kit for subject preferences, shot list, session schedule.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Portrait session planner is a focused, self-guided planning kit for hobby photographers and small creative studios. It organizes subject preferences, shot list, session schedule into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Hobby photographers and small creative studios

What you will make

Create a working set of subject preferences, shot list and session schedule, tailored to your own project.
