Photo archive workflow

A practical kit for folder naming, metadata checklist, backup schedule.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Photo archive workflow is a focused, self-guided planning kit for hobby photographers and small creative studios. It organizes folder naming, metadata checklist, backup schedule into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Hobby photographers and small creative studios

What you will make

Create a working set of folder naming, metadata checklist and backup schedule, tailored to your own project.

Proposed one-time price

USD 32.00 / EUR 29.00 / GBP 25.00 / CAD 45.00

AUD 49.00 / CHF 28.00 / AED 119.00

Fixed prices by currency, not live exchange conversions. Final prices and tax treatment will be confirmed before sales open.

Inside the planned edition

01 Folder naming: a purpose-built worksheet with field explanations and prompts.

02 Metadata checklist: a purpose-built worksheet with field explanations and prompts.

03 Backup schedule: a purpose-built worksheet with field explanations and prompts.

04 A start-here guide explaining the sequence, preparation and completion criteria.

05 A completed fictional example showing how the folder naming connect to the metadata checklist.

06 A final review checklist, reusable blank copies and a short troubleshooting section.

How to use it

Read the start-here guide, gather your project notes, complete the folder naming, then work through the metadata checklist and backup schedule. Compare with the fictional example and finish with the review checklist. Reuse the blank worksheets for the next project.

Planned formats and language

Planned: accessible PDF guide, editable DOCX worksheets and a printable A4/US Letter workbook. English-led instructions. Persian text is included where specified; the interface language does not change the purchased edition.

License

One household, for personal use. Print copies for your household and share completed personal projects privately. Do not resell or redistribute the blank source files.

Not included

No live service, consulting, external subscriptions, physical materials or completed work on your behalf. Specialist legal, medical and financial advice is not included.

Delivery, receipts and support

When the final edition is released: verified payment unlocks the purchased files in My purchases and creates an itemised billing document. Access uses private, expiring download links. Five downloads per file; contact support for access problems. Server access records support delivery enquiries.

Customer reviews

No customer testimonials yet. Reviews will come from verified purchasers who consent to publication. No illustrative quote is presented as a customer experience.
