Architecture photo walk

A practical kit for building features, viewpoint sketches, light planning.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Architecture photo walk is a focused, self-guided planning kit for hobby photographers and small creative studios. It organizes building features, viewpoint sketches, light planning into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Hobby photographers and small creative studios

What you will make

Create a working set of building features, viewpoint sketches and light planning, tailored to your own project.

Inside the planned edition

01 Building features: a purpose-built worksheet with field explanations and prompts.

02 Viewpoint sketches: a purpose-built worksheet with field explanations and prompts.

03 Light planning: a purpose-built worksheet with field explanations and prompts.

04 A start-here guide explaining the sequence, preparation and completion criteria.

05 A completed fictional example showing how the building features connect to the viewpoint sketches.

06 A final review checklist, reusable blank copies and a short troubleshooting section.

How to use it

Read the start-here guide, gather your project notes, complete the building features, then work through the viewpoint sketches and light planning. Compare with the fictional example and finish with the review checklist. Reuse the blank worksheets for the next project.

Planned formats and language

Planned: accessible PDF guide, editable DOCX worksheets and a printable A4/US Letter workbook. English-led instructions. Persian text is included where specified; the interface language does not change the purchased edition.

License

One household, for personal use. Print copies for your household and share completed personal projects privately. Do not resell or redistribute the blank source files.

Not included

No live service, consulting, external subscriptions, physical materials or completed work on your behalf. Specialist legal, medical and financial advice is not included.

Delivery, receipts and support

When the final edition is released: verified payment unlocks the purchased files in My purchases and creates an itemised billing document. Access uses private, expiring download links. Five downloads per file; contact support for access problems. Server access records support delivery enquiries.
