Family photo rescue organizer

A practical kit for scan inventory, naming rules, restoration notes.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Family photo rescue organizer is a focused, self-guided planning kit for hobby photographers and small creative studios. It organizes scan inventory, naming rules, restoration notes into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Hobby photographers and small creative studios
