Personal reading library

A practical kit for book inventory, reading notes, borrowing tracker.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Personal reading library is a focused, self-guided planning kit for adults building practical routines. It organizes book inventory, reading notes, borrowing tracker into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for
