Workshop follow-up sequence

A practical kit for recap email, practice reminders, feedback invitation.

This is a mock PDF describing a proposed product. It does not contain the promised guide, activities or templates. The product is not on sale.

What it is

Workshop follow-up sequence is a focused, self-guided planning kit for facilitators and independent educators. It organizes recap email, practice reminders, feedback invitation into a practical workflow, with editable worksheets and a completed fictional example. Start with your own situation, make the decisions on the worksheets, and finish with a plan you can revisit. The completed example illustrates the method; it is not a customer result.

Who it is for

Facilitators and independent educators

What you will make

Create a working set of recap email, practice reminders and feedback invitation, tailored to your own project.
